Mr. Bob Prather, left, and Mr. Ron Harvey enjoy a laugh following Bob's presentation of an engraved silver tray to Mr. Harvey. They are enjoying a cartoon drawn by Frank Carnahan, caricaturing school board members. The occasion was a party tendered to Ron by 40 teachers to mark his retirement from the St. Albert Protestant School Board. Photo by Vic Post.

Presentation to Mr. Ron Harvey

In recognition of 12 years of excellent service on the St. Albert Separate School Board, Mr. Harvey was honored by a group of 40 teachers who gathered at the home of Frank Carnahan of 12 Granite Avenue last Wednesday evening. A founder

member of the board, Mr. Harvey is retiring this year.

Mr. Harvey who lives at 52 St. Michael Street, said on his retirement from the board: "It is time for me to move aside and let a younger fellow take over."

As chairman of the administrators' council, Mr.

Robert Prather, principal of Sir George Simpson junior high school, made the presentation of an engraved tray and thanked Mr. Harvey for his years of service and co-operation, and for the lively interest he had taken in all matters of education.

Local people recall visit of Pierre Laporte

The tragic death of the Honourable Pierre Laporte, assassinated by members of an FLQ cell last Saturday, will recall to the minds of many district people his visit of 16 years ago.

At that time Mr. Laporte

was a news writer for the Montreal newspaper "le Devoir," and as such accompanied a group of visitors from the province of Quebec on a trip to Alberta.

The French Canadian Association sponsored such

tourist visits annually at that time under their "Liaison Francaise" project. The program was designed to encourage people from Quebec to see other parts of Canada, and to foster understanding and goodwill between the visitors and the people they met. The program has since expanded and the association now sponsors five or six such trips each year.

In 1954, when Mr. Laporte was with the group, they visited the St. Albert Mission, Morinville and Legal, among other Alberta communities.

Scenes like this were common over St. Albert over Sunday, Monday and Tuesday as private citizens and those responsible for schools and other public buildings lowered their flags to half mast in honor of Canadian patriot Pierre Laporte, assassinated late Saturday by members of the Front de Liberation du Quebec.

16% of Electorate Vote in St. Albert Elections

A bright sunny day dawned last Wednesday for St. Albert residents to go to the poll, but at 2 p.m. with four hours of voting time already passed, the booths were empty, the poll-takers idle.

The poll at Sir Alexander Mackenzie junior high school set an all-time low with one voter from the Braeside area having turned out to vote by 2:15 p.m., while at Youville Home soon afterwards, 39 elderly people and clergy had voted.

At 12 noon on Friday,

Mr. G. P. Moore, returning officer, issued the official results of the elections. In the civic election, Mr. Tom White of 4 Gladstone Crescent and Mr. Bob Hudson of 52 Gillian Crescent gained the two vacant seats on the town council, with 859 and 628 votes, respectively. Defeated candidate was Mr. Les Moorby of 31A Sunnyside Crescent, with 468 votes.

Mrs. Sylvia Walsh of 30 Gresham Boulevard gained the seat on the public school

board with 247 votes against Mr. Norman Lynch's 138 votes. Mr. Lynch lives at 51 Geneva Crescent.

In the elections for the two places on the separate school board, Mr. Bill Penrose of 9 Sheridan Drive, and Mr. Dave Davis of 36 Gladstone Crescent gained the seats with 480 and 432 votes, respectively. Defeated candidate, Mr. Alex Sollanych of 35 Greenview Crescent, gained 319 votes.

Sixteen per cent of the electorate voted.

Returning officer G. P. Moore officiates at the swearing in ceremony for St. Albert's two newly-elected town councillors, Bob Hudson and Tom White, right, preceding Monday night's committee of the whole meeting.

Northcott- Gervais match thrills local fans

A full house enjoyed a real thriller at the St. Albert Curling Rink last Saturday night when Ron Northcott stole two in the 10th end to defeat Hec Gervais 7-5 in a closely fought game. Both Ron and the friendly giant had their brier rinks behind them; for Northcott - Dave Gerlach, George Fink, and Fred Storey and with Hec - Bill Mit-

shell, Wayne Sabo and Bill Tanish.

It was a great game with many beautiful freezes, hit and roll shots and both old masters displaying the fine form that has taken them so far.

President Wally Irwin welcomed the Northcott curlers to St. Albert rink prior to the game. And emcee Bob Hudson gave the whole eight brier curlers a one-by-one introduction to the crowd in the lounge afterwards, such as they will never get again. Ron Northcott was laughing so hard he had to remove

his glasses while the tears streamed down his face. In fact the whole crowd was in stitches as Bob turned on his famous brand of rapid-fire wit.

Following a fine evening of fun at the rink, the Northcott rink and their wives were further entertained at the home of Hec and Helen Gervais.

Curlers interviewed were unanimous in their praise of the curling club executive who made the arrangements for this match and gave St. Albert and district fans such a grand evening at no charge.

Sturgeon Nomination Day

Nomination Day is Oct. 28 for candidates to fill two positions on the council of the Municipal District of Sturgeon. Mr. Clive Potter has been appointed returning officer and elections will be held in November.

The terms of Councillors Bill Flynn and Stan Walker

are expiring and the election this year will be for a one-year term in each case, since all positions will come up next year for a three year term.

Nominations are to be filed between the hours of 10 a.m. and 12 noon at the MD Sturgeon office in Morinville.

7 year-olds start blaze in bedroom

Two seven-year-old boys who were playing with a portable bed-lamp last Tuesday afternoon, set fire to bedding and started a blaze.

The fire brigade were called, but when they arrived at 78 Mission Avenue the boys' mother had already extinguished the flames with a fire extinguisher. They did, however, have to de-smoke the house.

Although Fire Prevention Week has now ended, the fire brigade are still carrying out inspections in the Sturgeon Heights area, and will be doing so for the next two weeks.

Hemingway Wins 2 Massey Medals for Architecture

Two of the Massey Medals awarded for excellence in Canadian architecture have been won by Peter Hemingway, resident of St. Albert with offices in Edmonton.

Mr. Hemingway's awards are for the Coronation Swimming Pool and the Stanley Building, both in Edmonton. Winners of the 17 Massey awards were announced last week by the Royal Architectural Institute of Canada.

The Massey Foundation initiated the competition in 1950, "to recognize outstanding examples of Canadian achievement in the field of architecture and thereby to give encouragement to members of the profession

and to promote public interest in their work." Massey Medals have been awarded at two-year or three-year intervals since that time.

Mr. Hemingway's awards are the first two Massey Medals ever to be awarded for buildings in Alberta. A Calgary architecture won a medal in the sixties for a building in B.C. Clifford Wiens of Regina also won two medals this year. Seven were awarded to Montreal architects, one to Toronto and one to Quebec. Out of four going to Vancouver architects, three went to Erickson/Massey. Mr. Mas-

sey is a son of actor Raymond Massey.

Mr. Hemingway began work in Edmonton right after graduating from the University of Kent in England. He has lived in St. Albert since 1958 and is married with two children. His wife Anne teaches in the St. Albert Recreation branch in arts and crafts.

Peter Hemingway has specialized in shopping centre work, doing the Southgate and Meadowlark centres and enclosing of the Mall and Johnstone-Walker building at Westmount. Other examples of his work are the Edmonton Inn, Delwood Elementary School in North Edmonton and Leo Nickerson

School in St. Albert. Mr. Hemingway uses local artists extensively in his work, a practice not yet common here. "We train them in our colleges and universities, why not use them?" he says.

Two Attain all Around Cords

Two St. Albert girls recently received the second highest award in Guiding, the all-around cord.

They were 16 year old Heather Tomlinson of 13 Sylvan Drive, who is in the 3rd St. Albert Guide Company, and Bobi-Jean Varner, 14, of 66 Gordon Crescent, who is a member of the SRS Nipl-

gon, Sea Rangers.

The award which is rarely achieved, requires that the girl be a first class guide, holding a variety of badges, including the pioneer badge. Both girls are going on to take their gold cords, the highest guiding award in Canada.

Columbia Choir will visit B.C.

The Columbia Girl's Choir will be going to Dawson Creek and Fort St. John next month to perform a number of concerts. Four St. Albert girls who are members will be with them, and are looking forward to the trip.

They are Marie Frances Gaulin of 86 Sunset Blvd., Janet Clelland of 6 Gaylord Place, Dianne Conway of 16 Savoy Place and Carolyn Gerrie of 41 Mission Avenue.

Mrs. Al Gaulin, who is in charge of the choir's dress committee, will be travelling with them.

Eighty-six of the 110 voice choir will be making the trip on buses carrying the

choir's banners. Their director is Paul Bourret of Edmonton and the girls range in age from 12 to 18 years. Both their accompanist and assistant-accompanist are also going along.

Within the choir, which started some six years ago, is a group of 36 singers called the Squirettes, to which Marie and Dianne belong. This group, together with the soloists, adds variety to concert performances. They have performed once in St. Albert - a concert at Youville Home.

The girls leave Nov. 20 and will return on the 22.

Sea Rangers

want paper backs

St. Albert Sea Rangers are now meeting in the Roman Catholic Church basement on Wednesday nights at 7:30 p.m., and any girls aged between 14 and 18 are invited to join the crew.

The Sea Rangers are collecting paper back books for project work, and anyone wishing to donate is asked to call 599-5474 and ask for Mrs. O'Hara.

Jim Hamper once again displayed excellent poise in goal and scored two shut-outs in the three games played. Last year the Lancers un-

der coach Drysdale won the Challenge Cup in the Atom Division. Flyers clinched second place with a 2 - 1 win over last place Chargers. Glen Kelly and Kevin McKendry scored for the winners with Greg Young scoring Chargers lone goal.

Eight men of St. Albert United Church returned on Sunday from the 16th annual conference for all men of Western Canada, which over 500 men attended.

Following the theme speeches "The Chosen Pew" given by the Rev. Dr. Clifford Elliott, former minister of Robertson United Church in Edmonton, the men were divided up into 50 discussion groups to express their views on the theme. Workshops were also conducted on such questions as Penal Reform, What is Church Union?, Coalition for Development, Today's Police Officer, the Canadian Indian, the Church's Concern for Resisters and Deserters, Drugs and Family Relations. Dr. Elliott has been asked to write an article on the subject: "Can Downtown Churches Survive?"

He said: "There is something terrible about this question, because it is not the business of the church

to survive. We may survive and I hope we do. I hope we do more than survive, but it is not our first business to survive. Our first question should be "Can the World Survive?" Can man survive - that is the thing? What good would it be if the church survived, is strong, affluent and popular, and the whole world is blown up by the atomic bomb, or starved out by the population explosion, suffocated to death with pollution or corrupted to death with hatred and division and war?

"The church is an agent - a means to an end. And that is where the pew comes in. We are God's agents, chosen agents to relate God and man. That is what the Bible is all about - God and Man and their relationship. We must keep this relationship alive and not let Man and God become separated, so that Man may become fulfilled and liberated as he was created to be. It is our own job

to maintain contact between God and Man, for it is in that contact that the hope of the world lies."

Many men who attended this conference have already submitted application forms for next year's conference.

St. Albert's only PTA still going strong

The Leo Nickerson Parent Teacher Association was formally organized in 1967. Until then, and since October 1964, the parents in this area were active in the then functioning Home and School Association along with parents from other schools in St. Albert. One of that association's well remembered projects was the Friday evening showing of children's movies in the Sir Alexander Mackenzie school auditorium. A local service club made available treats such as popcorn, gum, etc. This group was instrumental in having a flashing amber light installed at Salisbury Ave. and St. Albert Road. Association mothers assisted teachers in the classrooms on a volunteer basis. When the Home and School Association disbanded, the treasury funds were divided

equally among the schools represented. The Leo Nickerson share was used in purchasing gym equipment for the school.

Leo Nickerson School has the only functioning Parent Teacher Association in St. Albert. Regular meetings are held on the third Wednesday of every month and are open to anyone wishing to attend.

The September meeting has traditionally been a "Meet the Teacher Night." Each month interesting programs are arranged. Guest speakers have included the following people: Mr. Frank Carnahan related his experiences of a year of teaching in Scotland; Mr. H. G. Armstrong, the secretary treasurer of the school board, outlined "How the Tax Dollar is Spent;" Dr. Kratzman, University of Alberta, discussed early childhood learning; Mrs. Raj presented a talk on Montessori Schools; Mr. Dave Thomas and Mrs. Quereshi outlined the role of the Guidance Clinic at the elementary level.

Other programs have included a "Science Fair" arranged by teacher Mrs. Gafulk and Mr. J. Curilla, the district science co-ordinator; a "Learning to Read" demonstration by Mrs. Martin, elementary supervisor of instruction for reading; and a basic Family Life Education curriculum out-

line presented by Mrs. Joan Jakes of the Family Life Education Council of Edmonton. All programs have included question and answer sessions and many lively discussion periods.

In 1967 the Leo Nickerson PTA adopted a "green-up" campaign for the schoolyard as a Centennial Project. Parents contributed and planted their surplus trees, shrubs and flowers.

While no actual fund raising campaigns have been held, the one dollar per year family membership fee has been used to purchase a dry copying machine and an overhead projector for the school. Recently, \$50 was donated to the school to be used for the purchase of library materials.

The association is currently sponsoring a series of four Family Life Education meetings conducted by representatives from the Family Life Education Council of Edmonton. These are planned for November 4, 12, 18 and 25 from 8 to 10 p.m. in the music room at Leo Nickerson School. Watch for further announcements and be sure to attend.

We are proud of our past accomplishments, and look forward to continuing this service to our community. We sincerely invite you to join, to attend our meetings, and to help us achieve even greater success.

tion: Christine Hood won the grooming and showmanship and the equitation trophies, and Bev Epp won the Western Riding and the Reining trophies. Halter trophy went to Sharon Kish.

The Gibbons Club would like to say a sincere thank you to their trophy donors, Mr. Jack Kearns, who judged the inter-club show, Mr. Tom Thireault, ringmaster at the inter-club show, Mr. Hank Pallister, achievement day judge, Mr. Brian Leeder, auctioneer at the slave auction, Mr. Dixon Shields and Mr. Doug Binart. The Bon Accord 4-H Beef Club held its annual barbecue round-up supper on Sept. 28, at 7:30 p.m.

The dinner commenced with Judy Abramski, Larry Draper, and Debbie Uchacz leading the pledge which was followed with serving of sizzling hot barbecued steaks and good helpings of cold potato salads and greens.

The program got underway with a welcome to everyone attending the dinner from our president Danny Uchacz. Larry Draper gave an introduction of the 4-H members and Lydia Uchacz introduced the adult committee of the club. Janet Rigney then gave the introduction of the guests attending who were:

Mr. and Mrs. Joanison, Royal Bank; Mr. and Mrs. Curtis, Curtis Feeds Ltd.; Mr. and Mrs. Dawson, Redwater Lockers; Mr. and Mrs. Paradis, UFA Gas; Mr. and Mrs. Abramski, Bon Accord Sales and Service; Mrs. Mason, Madeline's Cafe; Mr. and Mrs. Repean, Triple R Esso Station; Mr. and Mrs. Olsen, Village Suprette; Mr. and Mrs. Carleton, Community Centre Pres., and Mrs. Hewitt one of our Bon Accord teacher residents who was kind enough to mark our record books.

Fay Strawson gave an excellent account of how 4-H is carried on at local, county and regional levels, which was followed by Patrick Ferbey summing up the club year's activities.

Several talks were given

by members who had attended various trips throughout the club year; club week - Judy Abramski; exhibition week - Terry Strawson; Olds club week eliminations - Don Rigney; Goldeye Camp - Dan Uchacz; Camp He-Ho-Ha - Patrick Ferbey and Fay Strawson; trips to Wisconsin - Dean Lewis, Dan Uchacz, Terry Strawson and Don Rigney, also from Mr. Hugh Rigney who was elected as a chaperone on the trip.

Comments on the record book were given by Debbie Uchacz and Mrs. Hewitt gave details of how she had marked and scored the books.

Trophies were presented and awarded as follows:

Champion Calf, Janet Rigney by Morin Hotel; reserve champion, Dean Lewis by UFA Gas; best record book, Patrick Ferbey by Royal Bank; 1st showmanship - Janet Rigney by Madeline's Cafe; 2nd showmanship - Larry Draper by Triple R Station; best gain, Patrick Ferbey by Curtis Feeds; judging, Dean Lewis by Village Suprette; 1st grooming - Lydia Uchacz by Bon Accord Sales and Service; 2nd grooming, Patrick Ferbey by Redwater Lockers. Our efficiency winner this year was Dean Lewis who was presented with a trophy by Bon Accord Community Centre. Terry Strawson will attend club week as our delegate at Vermilion Vocation and Agricultural College next summer.

The banquet was ended with a thank you by Terry

Strawson to all the donors, guests and other people attending the dinner.

Danny Uchacz then presented Mr. Taras Ferbey, club leader, with a hand-carved pipe-holder from the club members. He, in return gave them little key chain trinkets in return.

So ended another one of our annual 4-H beef barbecues.

Interested young people are invited to join the club.

Historic Church

The 150 year old St. Stephen's Anglican Church building in Chambly, Quebec, noted as "an outstanding example of early Canadian architecture," will be declared a national historic site at a plaque - unveiling ceremony Oct. 18.

Mr. Bert Shultz, a long time resident of Namao, celebrated his 90th birthday on Sunday, October 11.

Open house was held from 2 to 5 p.m. at the homeplace where he resides with his grandson, Mr. Byron Shultz, Byron's wife Marlene and his three great grandchildren, Bart, Bonnie and Grant.

A great many friends and relatives called to wish him well and a large birthday cake was cut in his honor.

Mr. Shultz was born in Rogers, Nebraska, on Oct. 8, 1880 and has three sons, Lyman of Edmonton, Dale of Namao and Kermit of

Namao

Cashmere, Washington. Congratulations and best wishes were received from his son Kermit who was unable to attend the event. A grandson, Leonard, however arrived home from Penticton for the celebration.

Mr. Shultz is hale and hearty in spite of his years and still likes to travel, taking a trip to Nebraska or Cashmere almost yearly. He has eight grandchildren and 15 great-grandchildren.

The Namao UCW Unit 1 met on Oct. 14 at the home of Mrs. R. Scragg in Edmonton with 23 members present. Plans were finalized

for the annual turkey supper to be held in the Community Hall on Saturday, Oct. 24, with the first serving at 5 p.m.

A drive for used clothing and old household appliances etc. for Bissel and the Rehabilitation centre will be undertaken by the unit. Anyone having such items is asked to leave them in the church basement between Nov. 9 and 13. Books and magazines for the day centre are also being collected. Anything from broken jewelry to unusable old radios and fabrics of all kinds can be used by the rehabilitation centre.

A meeting for all girls interested in joining CGIT is being held in the church this Wednesday at 3:30 p.m. There is an urgent need for leaders of this group. If there is anyone who can help in any way, please make it known as soon as possible.

Ski School

The ninth annual ski school for instructors at Sunshine Valley, Banff, which attracts

skiing enthusiasts from all over Canada, is to take place this year from November 22 to 28.

Making their home in B.C.

Wedding vows were exchanged by Elaine M. Dubie, daughter of Mr. and Mrs. A. W. Dubie of Namao and Donald J. Smith, son of Mr. R. Smith of Edmonton and Mrs. R. Klein of Saskatoon on Oct. 10 at Namao United Church. Rev. E. Miller officiated at the double ring ceremony.

Given in marriage by her father the bride wore a full-length gown of organza over net with a mantilla-type veil and crystal crown. She carried a cascade bouquet of pink sweetheart roses.

The bride's attendant, Rita Kok, wore a mauve gown and carried a colonial bouquet of pink and white carnations.

Attending the bridegroom was his cousin, Gordon McTavish, and the ushers were Brad Smith, brother of the bridegroom and Ervin Franks cousin of the bride.

The organist was Mrs. Verna Hansen. Ron Nelsen sang "The Lord's Prayer" and Diane Nelsen sang "Ave Maria."

After a small reception at the bride's home, the couple left for a honeymoon trip through the Okanagan on their way to Nanaimo, B.C., where they will live. The bridegroom is employed by Simpson-Sears there.

Out of town guests were from Prince George, B.C., Saskatoon, Sask., Lethbridge and Calgary.

Take an egg...

The hen that laid this egg was doing what came naturally. But man must take care of what nature forgot. Bringing a quality fresh egg to your breakfast table takes careful poultry stock breeding, proper feeding, housing and heating. Then nature's egg must be graded, packed and transported.

The electricity that cooks your egg also plays a part in its production. But the "care and feeding" of more than a dozen power plants is a costly business. So is the operation of power line systems and control equipment.

Like the farmer, we have to give nature a hand. And we do everything in our power to keep the price of a "natural" product low. Electricity is one household product that costs less than 20 years ago. It's something to think about when you crack an egg into the frypan!

THOSE SCOTS!

"Were you able to sell McTavish a grave?" asked the cemetery superintendent of a salesman.

"He would not buy. He was afraid he would not get the full benefit of it."

"But the man is going to die sometime," asserted the superintendent.

"That's what I told him, but he only answered, 'suppose I get drowned at sea?'"

SKATING

No registration will be accepted for any of the programs sponsored by the St. Albert Figure Skating Club after Oct. 28. Till then it will still be possible to register for figure skating, power skating and learn-to-skate at the department of recreation at the town hall.

There have been several enquiries from adults who want to learn to skate. These are at present being included in the regular classes which up till now have been mainly for our younger citizens. However, if enough adults are interested a separate adult learn-to-skate class will be arranged. Fathers should perhaps give some thought to the power skating program.

Remember, don't send your boy to the rink, go with him! You don't have to be a wonderful skater to do so and you and he can learn together some of the finer points of skating.

HERCULES SPORTS

Basketball for boys between the ages of 12 and 16 years is scheduled to start at 7 p.m. on Wednesday, Oct. 21 in Vital Grandin School when a further registration will take place. This program will be held every Monday and Wednesday evenings from 7 - 9 p.m.

Table tennis is due to start in the Clubhouse on Tuesday, Nov. 3. This was a very popular activity last year and, as before, the 10 - 12 year olds will play from 7 - 8 p.m. and the 13's and over from 8 - 9 p.m.

Parents are urged to volunteer their services as supervisors. Last year supervision was in the hands of a faithful few - very few. Please phone the department of recreation at 599-6601 if you are willing to help. You might even get interested and play a game or two!

YMCA

The YMCA sponsored programs started last week and there is still room for more

participants.

There are group games, gymnastics and other activities - a fun night when teens can meet their friends and play games for an hour or so. There is no set program. LADIES KEEP FIT

The class scheduled for Thursday evenings in Albert Lacombe School has been cancelled. There appeared to be no lack of interest in this class - only registrations!

The YWCA may run another course after Christmas when those who couldn't attend at present for some reason will have another opportunity to get and keep fit.

SING OUT ST. ALBERT

Under the direction of Mr. Bill Chiles this group is meeting and singing each Thursday evening in the clubhouse at 7 p.m. Anyone interested in singing out - 14 years of age or over is invited to come along and find out what St. Albert is singing out about.

New Plumbing Shop To Open

St. Albert will have a new plumbing, heating and gas-fitting service shop when B & L Plumbing and Heating opens its doors upstairs at 12 Farron Street this Saturday.

Principals of the firm are Wayne Law and Lionel Neveu both 29 years old. Wayne has over nine years experience and Lionel four. They served their apprenticeships in Alberta and both are holders of interprovincial qualifications as well. Lionel is a

former St. Albert resident and both young men are planning to make their homes here.

Main emphasis of the new business will be on service calls, but they will maintain a small show-room area on the premises.

Mr. Neveu and Mr. Law, in assessing St. Albert, decided that there was a real need for expanded plumbing, heating and gasfitting service in our fast growing town.

They invite the public to their opening day when refreshments will be served and they look forward to meeting more local people.

Mancunian Club starts social season

The Mancunian Club was formed in St. Albert earlier this year and on Friday, at the St. Albert Legion, it held its first social night.

A Mancunian is someone who comes from Manchester, England, and 75 per cent of the 40 people present on Friday were Mancunians, but there were also several Canadians present.

The club's name derives, not from the fact that its membership is restricted to Mancunians, but because its social activities will be mod-

elled on the style of the English workmen's clubs. It was felt that many clubs of this type were not doing enough for their members. The Mancunian Club, as well as involving the whole family in club activities, is organizing charter flights to England, one of which took place in September.

President of the club is Mr. Cecil Hall, his wife, Betty, is the treasurer, and the club's secretary is Mr. Roy Sharp.

LIONEL NEVEU

Morinville district

The cub and scout committee who sponsored the bottle drive last week report a most successful drive and wish to thank the public for the wonderful support received.

Mr. and Mrs. Remee Froment entertained some 30 members of Mrs. Louise Lemieux's family on the occasion of her birthday, Oct. 10. A very interesting family social was enjoyed

and everybody shared the birthday cake and midnight supper that concluded the celebration.

Mr. and Mrs. Joe Meunier pioneer residents of Morinville retired this past weekend to Chateau Sturgeon in Legal.

Mrs. Bernard Fuch returned last week from Vancouver where she visited with her son and family, Mr. and Mrs. Norman Fuch. Norman is new sub-inspector for the RCMP in the Vancouver area.

Mrs. Philomene Morissette a long time resident of Morinville retired to Youville Home last weekend due to failing health.

Mr. N. Woytkiw Sr. is recovering in city hospital after undergoing surgery recently.

Mrs. Marie St. Laurent and Mr. and Mrs. Joe St. Laurent Jr. from the Peace River area were among several guests on the occasion of George St. Laurent's wedding in Vimy last weekend.

Two more campaigners seeking the Progressive Conservative nominations on Nov. 10 have been active in the district. Namely Ernie Jamison and Bill Flynn.

The Georges P. Vanier High school gymnasium exercises will take place on Saturday, Nov. 14. A very busy committee have been preparing for this social event, anticipated by all stu-

dents as well as graduates of the 1970 class.

Mr. and Mrs. Hubert Fuch and family are now located in Caire, Egypt where Mr. Fuch is employed by Imperial Oil. Mr. Fuch is the son of Mr. and Mrs. Bernard Fuch of Morinville.

Better see the Eiffel Tower

Now 79 years old, the Eiffel Tower is doomed to demolition within 50 years, as the 970 foot tower is being eaten away by erosion.

Although condemned as useless and monstrous by an illustrious group of artists after it opened in 1889 to commemorate the anniversary of the French Revolution, the tower has attracted some 44 million visitors.

Labonte Hogue Wedding

MORINVILLE - A very pretty candlelight church wedding was held in St. John the Baptist Roman Catholic church in Morinville recently when Helen Hogue, daughter of Mr. and Mrs. Paul Hogue of Morinville exchanged vows with Denis Labonte son of Mr. and Mrs. Alme Labonte of Edmonton. Rev. Father Eugene Labonte OMI of Mallardville, B.C., officiated at the double ring ceremony.

Given in marriage by her father the bride was radiant in a gown of white brocade satin featuring a scoop neckline and long sleeves. Her cathedral length veil of misty french tulle was held in place by a crown of baby carnations. She carried a sheaf of autumn blooms, bronze and gold chrysanthemums.

Her sister, Miss Mariette Hogue was her only attendant in a gown of coral crepe with gold accessories complimented by a bouquet of fall flowers.

The best man was Mr. Edward Labonte of Toronto, brother of the groom. During the church ceremony, Lucien and Paul Loriau from Edmonton were soloists and Madame Marcelle Baker, also of Edmonton, was organist.

A wedding reception followed at the Morinville Centre for some 150 guests. Mr. Emile Mandin of Edmonton was master of ceremonies. Toast to the bride was proposed by Mr. Robert Chauvet of Morinville.

The bride changed into a red and brown tweed ensemble with caramel accessories. Both bride and groom are university students and will make their home in Edmonton.

For her daughter's wedding Madame Hogue chose a turquoise brocade ensemble with black accessories. Mrs. Labonte wore a lavender wool frock with black accessories and both had corsages of white carnations, complimenting their ensembles.

Morinville Blood Donors' Clinic

MORINVILLE: The annual Red Cross Blood Clinic will be held in Morinville on Wednesday, Oct. 28 in the Morinville Recreation Centre. Hours are: 4 p.m. to 5:30 p.m. and 7 p.m. till 9 p.m.

The 1970 quota for this blood clinic is a minimum of 300 pints, from the people of Morinville, Legal and rural section of the MD of Sturgeon.

This is a united community project and everyone is donating generously of their time and services to make it a real success.

For the public at large the Red Cross is appealing to all those between the ages of 18 - 65 years, in normal health to give their pint of blood next Wednesday.

Here is the list of volunteers who have pledged their services for next Wednesday: The Morinville Lions manpower to set up the clinic and dismantel and lead the mobile unit in the evening; the Lions are also in charge of Morinville rural canvassing. The Ladies Auxiliary will host the afternoon and evening sessions and provide refreshments and goodies. Morinville CWL and Les Femmes Chretiennes are donating and serving supper and lunch for Red Cross personnel and volunteers. Morinville United Church and other church groups will canvass the town of Morin-

ville. The Candy Strippers are offering free babysitting services at the centre. It is hoped that students and other groups will also donate time for the success of the blood clinic. Business people are requested to invite their staff to be donors, and let them have time off to give blood if at all possible during the afternoon session.

Volunteers to report for duty in the afternoon are: Mrs. Borj Carlson, Mrs. Joe Anderson, Mrs. Sandra Johnson, Mrs. G. Clark, Mrs. Agnes Bokenfohr RN and Mrs. Dorothy Curtis.

Registrar: Mrs. Rhonda Stapleton, hostesses, cloakroom and supervisor of babysitters, Mrs. Charles Kieser.

Supervisor of volunteers: Mrs. Sheila Houle RN.

Evening volunteers are: Mrs. Phyllis Borle RN, Mrs. Gaby Morin, Mrs. Jeanine Chalfoux, Mrs. Rachel Bulger, Mrs. Selange Bachard, Mrs. Helen Rousseau and Mrs. Joyce Stevens RN.

It is hoped that the people from Legal will also patronize this local blood clinic. All community leaders in Sturgeon will take this opportunity to have members of their groups reminded to come to Morinville and assure that the 300 donors are there to fill the quota for 1970.

the Gazette REFLECTS

* generation of Canadians, struggling to learn how to cope with the great tensions of a rapidly changing pattern of living, is growing more and more aware of the importance of beautiful surroundings.

Here is an example of a powerful influence for good in our lives which cannot be measured in dollars and cents.

People fighting to protect wilderness areas, to preserve rivers, streams and lakes in their districts, to teach children arts and music and drama - are all aware of the basic need in man for beauty around him. Our young students are the generation most concerned with these values.

Here in our area - and now - there is a wonderful opportunity to take a very big step in the right direction

Let us build a university planned and designed to grow into a magnificent campus where beautiful buildings set in a calm and peaceful setting will exert their strong and quiet influence for good on generation after generation of Alberta students. In the name of sweet reason, we must have a top flight architect in charge and give him full authority to do the job.

Children stand in front of the Moon Light Saloon as Father Jan School celebrated its Pioneer Day last Wednesday.

Bishop speaks of Mr. Laporte

The Right Reverend Bishop Edward Gagnon spoke at his former classmate at college and at little seminary, the Honourable Pierre Laporte, during two morning services last Sunday in Morinville.

He spoke of the necessity to maintain high moral values and principles, and to fight the present wave of moral degeneration and public apathy concerning it.

Bishop Gagnon of St. Paul celebrated mass at the 9 a.m. and 10:30 a.m. services in St. John the Baptist Church.

Semenchuk - Chevalier

MORINVILLE - A pretty fall afternoon wedding was celebrated recently in St. John the Baptist Church when Denise Chevalier, daughter of Mr. and Mrs. Ubald Chevalier of Morinville, was united in marriage with Roy Semenchuk, son of Mr. and Mrs. Peter Semenchuk of Edmonton. The Rev. G. H. Primeau officiated at the double-ring service.

Entering the church on the arm of her father, the bride was charming in a formal gown of white panne velvet, featuring a high-waisted styling with scoop neckline and long sleeves, and trimmed with a design in seed pearls. The design was repeated on the white satin head band which held her cathedral veil of net and lace. She carried a bouquet of yellow roses and baby mums.

Miss Valerie Perras and Miss Denise Labonte of Edmonton were bridal attendants. They wore identical

gowns of bottle green velvet, trimmed with gold braid and styled with high waistlines and puffed sleeves. Short white gloves, gold slippers and baskets of yellow mums completed their ensembles.

The groom was attended by best man Ed Onusko of Edmonton and Renee Chevalier, brother of the bride. Wedding music was by organist Norman Chalifoux and Mrs. Muriel Krauskopf, soloist.

For her daughter's wedding Mrs. Chevalier chose a beige chiffon dress with brown accessories and an orange tinted corsage. Mrs. Semenchuk wore a pink fortrel dress with black accessories and a yellow corsage.

A wedding reception for some 140 guests was held in the Morinville Centre. Mr. Paul Morin was master of ceremonies and Mr. O'Neill Chevalier, brother of the bride, proposed the toast to the bride. A wedding dance concluded the evening.

MR. AND MRS. FRANCIS

Making their home in St. Albert

In a double ring ceremony at St. Albert United Church on Friday, October 9, Miss Sherry Lee Evans, eldest daughter of Mr. and Mrs. I. Evans, of 4 Grandin Place, St. Albert, was given in marriage by her father and mother to Mr. Barry C. Francis, only son of Mr. and Mrs. C. Francis, of Minto, New Brunswick.

The bride wore a gown of lace over net and a Juliette cap veil trimmed with roses. She carried a bouquet of red and white roses.

Bridesmaids were Miss Debra Evans and Miss Elaine Francis. They wore red chiffon princess line gowns and carried bouquets of white carnations and red ribbons.

Officiating at the ceremony was the Rev. L. Musto assisted by Rev. J. Banford and Father C. Levaugle.

Best man was Mr. Leon Olson, and ushers were Mr.

Chris Brother and Mr. Gary Wendt.

After the ceremony, a reception and dance was held at the Royal Glenora Club. Master of ceremonies was Mr. Stanley Jacobson, and the toast to the bride was proposed by Mr. Bernard Evans.

Out of town guests were Mr. and Mrs. B. Evans, Mr. and Mrs. R. D. Evans, the bride's grandparents, Mrs. J. Epke and Mrs. J. Nelson, of Calgary, and from Parkburg, Saskatchewan, Mr. and Mrs. R. Moile, Mr. and Mrs. R. Wendt, Mr. and Mrs. G. Wendt and Mr. and Mrs. P. Wendt, grandparents. Also the bridegroom's mother and father and sister, Mr. and Mrs. C. Francis and Cathy Francis, of Minto, New Brunswick.

The couple will be living here in St. Albert.

Tom takes our stamps

One of the 'Gazette's' most regular visitors is 11 year old Tom Jansing, of 86 Mission Avenue.

The newspaper's bugbear - occasionally life-saver - is the barrage of news releases that come through the mail from all parts of the country and from the United States. The public relations men who supply us with these communications would surely be gratified to know that their prime function lies in improving a little boy's stamp collection, for stamp collecting is the reason for Tom's daily visits to this office.

Tom, who is the only son of Mr. and Mrs. Gunter Jansing, is in the seventh grade at Sir Alexander Mackenzie Junior High School. A former coin collector, he has been collecting stamps now for one and a half years, using the interest in stamps he has fostered in his mother, and the sales of his coin collection to finance his stamp collecting.

Already Tom has acquired approximately 500 Canadian and United Nations stamps, both used and unused, and he estimates their value at between \$25 and \$30. He is interested in making the acquaintance of any other stamp collectors in the area who might be eager to trade interesting specimens.

Letters To The Editor

The Editor:

Will you please relate my sincere thanks to all the St. Albert voters who took time to cast their ballots for their school board and council candidates in the election.

I was thrilled and grateful to be chosen to represent the people of St. Albert on our council. I would like to take this opportunity to thank my supporters at the polls and to say a special thank you to the friends who helped in my campaign. To the Gazette I extend my appreciation for the excellent

coverage given to the election.

Bob Huisson.

time in Morinville. I also wish to thank everyone who gave me their vote.

Yvonne M. Leduc.

The Editor:

Please accept my thanks for your many courtesies in publishing a number of letters with respect to the recent election for the separate school board members.

I am pleased that so many electors supported my ideas for improvement to our school operation. Thank you and thanks to those electors.

W. A. Penrose.

May I take this opportunity to thank you for the coverage you allowed me in your journal during election

Snowmobilers

A recently held meeting of the St. Albert Snowmobile Club elected the following officers to serve in the forthcoming season; Mr. Dave Hewgil, president; Mrs. Dave Hewgil, treasurer, and Mr. Paul Lavallee, secretary.

Sixteen members attended the meeting, and it was felt that this season more family trips to other clubs in Alberta would be undertaken by the St. Albert snowmobilers.

At November 4 meeting, a program of future events will be planned.

5.30 P.M. TO 8.30 P.M.
EVERYBODY WELCOME

Around Town

Local and district people will want to be reminded of the annual tea and bazaar by the Youville Ladies Auxiliary, being held on Sunday at Youville Home. The event, which always features interesting bargains begins at 2 p.m. until 5, and everybody is invited to attend.

Members of the St. Albert Catholic Women's League would like to thank residents of the community for their support in the recent Oxfam Christmas Card Day and to extend their appreciation to Safeway Stores for their cooperation.

If you were unable to purchase the Oxfam cards last Saturday, they can still be obtained by calling Mrs. B. O'Kell, 55 Grandora Cres. at 599-7142. Proceeds from the sale of these cards will help Oxfam's work in Peru.

Come out to the hallowe'en tea, bazaar and businessmen's or family luncheon, in the Community Hall, Saturday, Oct. 31 from 11 a.m. to 3 p.m., sponsored by the United Church women. A real opportunity to shop for original and practical handmade Christmas gifts and to have an enjoyable time with your friends and neighbors. Babysitters provided free of charge.

Gerry Leblanc had a telephone call last week from Andre Tardif in Hull Quebec (formerly manager of the Bank of Montreal here). In reply to his question Gerry was informed that the only member of the Tardif family to be picked up in the police raids was his mother-in-law, who was later found

innocent and released. All is well with the Tardifs back east, but they do miss their many friends in St. Albert.

Three classes of Biology 20 from Paul Kane, numbering about 50 students, made a field trip on the Sturgeon River last Thursday afternoon, under the instruction of Mr. Derrick.

Bill Gowans, in hip waders, ventured further into the water than some, got his foot stuck in the mud, lost his balance and fell headlong into the river. Which all of the other students found absolutely hilarious for some reason.
